EXPERIENCE

Business Operations Associate **June 2026 – Present**
SeaPort Corporations, Kirkland, WA
- Selected as project manager to migrate C Splash, the company's pricing system, to a fully online platform
- Automated manual reporting and cost analysis by building AI-assisted models, charts, and datasets with Claude and Claude Code, cutting one recurring workflow from 4–5 hours to under 1 hour.
- Created an operations pricing portfolio and a SIMP compliance tracking tool used by the Director of Sustainability to manage workflows in Microsoft Business Central (ERP).
- Partnered with cross-functional stakeholders (sales, logistics, accounting, directors/VPs) to identify process improvements and solve them with AI; contribute to company-wide AI integration planning.
- Manage purchase orders, domestic order documentation, and overseas shipment tracking in Business Central, coordinating with truckers, vendors, and sales; wrote the team's PO-to-receiving process documentation.
- Audited and corrected 553 vendor posting-group assignments, restoring vendor master data integrity.

Expeditor **May 2024 – Sept 2025**
El Encanto, Kirkland, WA
- Coordinated real-time order flow between kitchen and front-of-house in a high-volume restaurant, managing timing to ensure accurate, on-time delivery.
- Identified workflow inefficiencies during service and proposed process improvements to management, increasing team efficiency.
- Delivered consistent, high-standard customer service to a discerning clientele under sustained pressure.

Store Operations Lead **Sept 2020 – Jan 2021**
MeeTea Cafe, Redmond, WA
- Independently managed daily store operations while serving 150+ customers per shift, overseeing inventory, preparation, and online-order fulfillment.
- Owned all store recordkeeping and end-of-shift reporting, and resolved operational problems independently under pressure.

EDUCATION

Bachelor of Arts, Business Management (Innovation and Change Specialization) **Aug 2022 – May 2026**
Washington State University, Pullman, WA
Relevant Coursework: Financial Analysis, Business Strategy, Data-Driven Decision Making, Project Management, Organizational Behavior

CERTIFICATIONS

Google Data Analytics Certificate **Sept 2026**
Certificate, National Fisheries Institute Seafood School **July 2026**
- Completed an intensive program on seafood import/export, supply-chain logistics, and regulatory compliance.

ACTIVITIES & LEADERSHIP

Fundraising & Volunteer Lead, Korea Mission Trip **July 2023**
- Was a part of an outreach and fundraising campaign that raised $20,000 for a month-long volunteer mission.
- Helped launch a summer reading and writing program at a South Korean orphanage.
